Re: Wings 2009 Camp

Douglas Explorer Scouts are recruiting a contingent of Explorer Scouts and Network members to attend the Wings 2009 International camp at Windsor.

The camp will take place between the 1st and 8th of August although the trip may last longer depending on transport arrangements which are as-yet unconfirmed.

The projected cost for this trip will be in the region of £250, This figure will be amended as more information is provided to us. The overall cost is expected to be reduced with the addition of various fundraising events that we will be organising between November this year and the departure date of the trip itself.

There are presently 16 places available to Explorer Scouts and a further 10 spaces available to Network (18+) members and leaders. If you are interested in attending the camp, please return the reply slip attached together with a deposit of £25 by either cash or cheque (made payable to 'Douglas Explorers').
